

Request for Qualifications

Seeking experienced contractors to perform hazardous materials remediation, building demolition, rehabilitation of exterior envelope/roofing/skylights/glass curtain wall/masonry/sealants, painting, wall framing and siding, concrete foundation construction, asphalt paving, pre-cast concrete building construction, electrical/communications and other miscellaneous work at the Rainbow Canada, Whirlpool Canada and Queenston Plazas

For the Niagara Falls Bridge Commission

Overview

The Niagara Falls Bridge Commission seeks qualified contractors to perform work as described above. The work must be coordinated to maintain bridge operations at all times.

All Contractors must be pre-qualified to submit tenders directly to the Commission; if your firm is not currently pre-qualified to complete work for the Commission and you wish to submit a tender for this project you must submit a completed prequalification form no later than October 31, 2023; visit NiagaraFallsBridges.com, look under Services/Construction/Contractor Prequalification; follow instructions to submit a prequalification form. Once approved firms generally remain qualified to perform work for the Commission for a period of 3 years from the date of approval.

It is anticipated that a single Invitation to Tender will be issued in November of 2023; firms pre-qualified to perform work for the Commission will receive a notification when the Invitation to Tender for the project is issued.

Please contact Mr. John Mahar, Chief Construction Officer for the Niagara Falls Bridge Commission (716-285-6322 x4133 or jmahar@niagarafallsbridges.com) for further information.
