

Request for Qualifications

Seeking experienced contractors to perform interior architectural modifications, rehabilitation of exterior envelope/roofing/masonry/skylights/sealants, concrete pavement/sidewalk replacement, mechanical cooling system replacement and other miscellaneous rehabilitation work at the Rainbow US, Whirlpool US, and Lewiston Plazas and the NFBC Administration Building

For the Niagara Falls Bridge Commission

Overview

The Niagara Falls Bridge Commission seeks qualified contractors to perform miscellaneous rehabilitation work at the above-named locations. The work must be coordinated to maintain bridge operations at all times.

All Contractors must be pre-qualified to submit tenders directly to the Commission; if your firm is not currently pre-qualified to complete work for the Commission and you wish to submit a tender for this project you must submit a completed prequalification form no later than October 31, 2023; visit NiagaraFallsBridges.com, look under Services/Construction/Contractor Prequalification; follow instructions to submit a prequalification form. Once approved firms generally remain qualified to perform work for the Commission for a period of 3 years from the date of approval.

It is anticipated that a single Invitation to Tender will be issued in March of 2024; firms pre-qualified to perform work for the Commission will receive a notification when the Invitation to Tender for the project is issued.

Please contact Mr. John Mahar, Chief Construction Officer for the Niagara Falls Bridge Commission (716-285-6322 x4133 or jmahar@niagarafallsbridges.com) for further information.
