Seeking experienced contractors for work on the US and Canadian sides of the Rainbow and Lewiston-Queenston Bridges to perform Skewback, Anchorage and Bolt Rehabilitation and Bearing Rehabilitation/Painting for the Niagara Falls Bridge Commission

## Overview

The Niagara Falls Bridge Commission seeks qualified contractors for work on the US and Canadian sides of the Rainbow and Lewiston-Queenston Bridges to perform Skewback, Anchorage and Bolt Rehabilitation and Bearing Rehabilitation/Painting.

All Contractors must be pre-qualified to submit tenders directly to the Commission; if your firm is not currently pre-qualified to complete work for the Commission and you wish to submit a tender for this project you must submit a completed prequalification form no later than November 24, 2023; visit [NiagaraFallsBridges.com](http://NiagaraFallsBridges.com), look under Services/Construction/Contractor Prequalification; follow instructions to submit a prequalification form. Once approved firms generally remain qualified to perform work for the Commission for a period of 3 years from the date of approval.

It is anticipated that Invitation to Tender packages for the Bridge Skewback Anchorage and Bolt Rehabilitation and Bearing Rehabilitation/Painting Projects in the US and Canada will be issued in December of 2023; firms pre-qualified to perform work for the Commission will receive a notification when the Invitation to Tender packages are issued.
