

Request for Qualifications

Seeking Engineering Consultant Services
for the Rainbow & Lewiston Queenston Bridges and US
Plazas

For the Niagara Falls Bridge Commission

Overview

The Niagara Falls Bridge Commission seeks qualified Engineering Consultant Services for the Rainbow and Lewiston-Queenston Bridges and US Plazas to perform Design and Construction Support services for bridge wearing surface and deck joint rehabilitation and concrete pavement, sound wall and bridge pier rehabilitation.

All Consultants must be pre-qualified to submit tenders directly to the Commission; if your firm is not currently pre-qualified to complete work for the Commission and you wish to submit a tender for this project you must submit a completed prequalification form no later than July 22, 2022; visit NiagaraFallsBridges.com, look under Services/Construction/Consultant Prequalification; follow instructions to submit a prequalification form. Once approved firms generally remain qualified to perform work for the Commission for a period of 3 years from the date of approval.

Firms pre-qualified to perform work for the Commission will receive a notification when the Request for Proposal for the project is issued.

Please contact Mr. John Mahar, Chief Construction Officer for the Niagara Falls Bridge Commission at 716-285-6322 x4133 or jmahar@niagarafallsbridges.com for further information.
