Seeking Experienced Consultants to Perform Annual Bridge, Facility and Infrastructure Inspections for the Rainbow, Whirlpool Rapids & Lewiston-Queenston Bridges

OVERVIEW

The Niagara Falls Bridge Commission seeks Experienced Consultants to perform general and detailed inspections for the Rainbow, Lewiston-Queenston, and Whirlpool Rapids Bridges including the associated approach span bridges, plazas, and infrastructure for the years 2026, 2027, 2028, and 2029.

All Consultants must be pre-qualified to submit proposals directly to the Commission; if your firm is not currently pre-qualified to complete work for the Commission and you wish to submit a proposal for this project you must submit a completed prequalification form no later than March 4, 2025; visit NiagaraFallsBridges.com, look under Services/Construction/Consultant Prequalification Form; follow instructions to submit a prequalification form. Once approved firms generally remain qualified to perform work for the Commission for a period of 3 years from the date of approval.

Firms pre-qualified to perform work for the Commission will receive a notification when the Request for Proposal for the project is issued.

Please contact Mr. John Mahar, Chief Construction Officer for the Niagara Falls Bridge Commission (716-285-6322 x4133 or jmahar@niagarafallsbridges.com) for additional information.
