

# Request for Qualifications

Seeking Engineering Consultant Services  
for the Lewiston-Queenston Bridge Wearing Surface  
Replacement and Queenston Plaza Truck Pre-Primary  
and Post-Toll Concrete Pavement Project  
For the Niagara Falls Bridge Commission

## Overview

The Niagara Falls Bridge Commission seeks qualified Engineering Consultant Services for the Lewiston-Queenston Bridge Wearing Surface Replacement and Queenston Plaza Truck Pre-Primary and Post-Toll Concrete Pavement project.

All Consultants must be pre-qualified to submit proposals directly to the Commission; if your firm is not currently pre-qualified to complete work for the Commission and you wish to submit a proposal for this project you must submit a completed prequalification form no later than November 30, 2024; visit [NiagaraFallsBridges.com](http://NiagaraFallsBridges.com), look under Services/Construction/Consultant Prequalification; follow instructions to submit a prequalification form. Once approved firms generally remain qualified to perform work for the Commission for a period of 3 years from the date of approval.

Firms pre-qualified to perform work for the Commission will receive a notification when the Request for Proposal for the project is issued.

Please contact Mr. John Mahar, Chief Construction Officer for the Niagara Falls Bridge Commission (905-354-5641 x4133 or [jmahar@niagarafallsbridges.com](mailto:jmahar@niagarafallsbridges.com)) for further information.
