

Request for Qualifications

Seeking Experienced Contractors to Replace the Asphalt Pavement Wearing Surface on the Lewiston-Queenston Bridge and Perform Concrete Pavement Work at the Queenston, Canada Plaza

For the Niagara Falls Bridge Commission

Overview

The Niagara Falls Bridge Commission seeks qualified contractors to perform work as described above. The work must be coordinated to maintain bridge and plaza operations at all times.

All Contractors must be pre-qualified to submit tenders directly to the Commission; if your firm is not currently pre-qualified to complete work for the Commission and you wish to submit a tender for this project you must submit a completed prequalification form no later than December 6, 2024; visit NiagaraFallsBridges.com, look under Services/Construction/Contractor Prequalification; follow instructions to submit a prequalification form. Once approved firms generally remain qualified to perform work for the Commission for a period of 3 years from the date of approval.

It is anticipated that an Invitation to Tender will be issued in April of 2025; firms pre-qualified to perform work for the Commission will receive a notification when the Invitation to Tender for the project is issued.

Please contact Mr. John Mahar, Chief Construction Officer for the Niagara Falls Bridge Commission (905-354-5641 x4133 or jmahar@niagarafallsbridges.com) for further information.
